RE: Kitsune-Gari Club Website

All,

I have recently registered and created a website for the Kitsune-Gari Judokwai and would like your feedback, suggestions and comments on how this can best serve the club.

Please indicate, by return of this form to the club, which of the following would be of interest or of use ...and feel free to add any suggestions of your own below:

- Picture and biography for each club Sensei
- Judo and club history
- Club philosophy, goals, etc.
- Link to other clubs, useful sites, etc.
- Suggested ideas for pupil homework, practice, exercise, etc.

Pupil's Name: _____

Parent's Name: _____

Your suggestions here:

Do you give permission for in-class pictures/video footage to be used on the club website?

Yes / No

Many thanks for your assistance and support.

Gareth
